1: This year is incomplete, it starts in March. 2: This year is incomplete, it stops in March.

Special Disclosure: During September 2022, it was discovered that composite net return was calculated incorrectly. It has since been corrected.

Prior to 30.06.2023, the composite name was Risk Managed Japanese Equity. Since 30.06.2023, the new name is Unigestion Defensive Japanese Equities.

Compliance Statement: Unigestion claims compliance with the Global Investment Performance Standards (GIPS®) and has prepared and presented this report in compliance with the GIPS standards. Unigestion data has been independently verified until 2020.

Definition of the Firm: For the purposes of applying the GIPS Standards, the firm is defined as Unigestion. Unigestion stands for the Unigestion Group and includes all Unigestion subsidiaries (Unigestion Asset Management (France) SA, Unigestion SA, Unigestion (UK) Ltd, Unigestion (US) Ltd, Unigestion Asset Management (Canada) Inc, Unigestion Asia Pte Ltd). Individual subsidiaries of the Unigestion Group do not claim GIPS compliance on a stand-alone basis. Unigestion is responsible for managing assets on the behalf of institutional investors. Unigestion invests in several strategies for institutional clients: Equities, Hedge Funds, Private Assets and the solutions designed for the clients of our Multi-Asset & Wealth Management department. The GIPS firm definition excludes the Fixed Income Strategy Funds, which started in January 2001 and closed in April 2008, and the accounts managed for private clients. Unigestion defines the private clients as High Net Worth Families and Individual investors.

Policies: Policies for valuing investments, calculating performance, and preparing GIPS Reports are available upon request.

Composite Description: The Unigestion Defensive Japanese Equities Composite was created by Unigestion on 13 September 2013 while The initial date of Composite performance began on 31 March 2006. The Unigestion Defensive Japanese Equities composite consists of accounts invested in the Japanese universe and whose objective is to profit from opportunities offered by this equity market. Portfolios are invested according to an active approach based on risk management, combining both fundamental and quantitative analysis.

Benchmark: The benchmark is the MSCI Japan TR Net which is designed to measure the equity market performance of Japan Benchmark returns are net of withholding taxes from 31.03.2006 to 30.11.2022. From 01.12.2022 benchmark is MSCI Japan Large Cap Index Net TR

Fees: In April 2021, Unigestion adapted the GIPS net of fees calculations methodology, in order to provide our clients with a better representation of net returns. Prior to the change, we used the max fee methodology, while after the change we use the most representative fee methodology. The change has been applied on all net returns (including the history).

Gross returns are presented gross of management fees, administrative fees but net of all trading costs and withholding taxes. Net returns are now calculated net of model fees and are derived by subtracting the most representative fee rate, which is 1.50% for time period 31/03/2006 through 31/12/2019 and 0.8% from 01/01/2020, in effect for the respective time period from the gross returns each month.

List of Composites: A list of composite descriptions, a list of limited distribution pooled fund descriptions, and a list of broad distribution pooled funds are available upon request.

Minimum Account Size: The minimum account size for this composite is 500'000'000.- JPY.

Valuation: Valuations are computed in Japanese Yen (JPY). Performance results are reported in Japanese Yen (JPY).

Internal Dispersion & 3YR Standard Deviation: Gross returns are applied in the calculation of this report's risk metrics. Internal dispersion is not presented when there are five or fewer portfolios within the composite for the annual period. 3 year ex-post standard deviation statistics is not presented when there are fewer than 36 consecutive monthly composite returns.

Performance disclaimer: Past performance is not a reliable indicator of future results, the value of investments can fall as well as rise and there is no guarantee that your initial investment will be returned. Returns may increase or decrease as a result of currency fluctuations. Performance includes reinvestment of dividends and other earnings.
